

SPECIALIZED THERAPY SERVICES

August 28, 2024

It is with mixed emotions that I am announcing that my physical therapy practice at 720 Middle Street will close effective September 27, 2024. My husband and I are relocating to Saint Petersburg, FL. I am very excited to start this next adventure with him, but I will miss each one of you dearly. It has been my honor and privilege to support you on your health and wellness journey.

While I am available to provide you with care until 9/27/24, you will need to secure a new physical therapist if you need to continue care afterwards. I will offer some options below, but please know that it is always your choice regarding who you choose as your physical therapist.

I have been blessed to work alongside Kristi Johnson for the past year. I met her at a pelvic floor conference years ago, and STS was fortunate enough to employ her when she and her family relocated to the area. She is a very knowledgeable and skilled pelvic floor physical therapist, and she would be an excellent fit for any pelvic floor issues. She will begin accepting patients at TherapySouth in Fairhope on October 1.

TherapySouth
9893 Hwy 104
Fairhope, AL 36532
Kristi Johnson
251-850-2050 office
205-850-2055 fax

Vestibular.org is a valuable resource for all things vestibular. You can find experts in your area on this website.

Eastern Shore Physical Therapy
924 Plantation Blvd Suite B
Fairhope, AL 36532
